

## E-DISCOVERY QUIZ

### ANSWERS

(See quiz on page 15)

1

**False.** Rule 29.1 requires a party to an action to agree to a Discovery Plan where they intend to obtain evidence under Rules 30 to 33 and 35. The court will apply the proportionality principles to determine whether a party or person must answer a question or produce a document.

2

**True.** The Sedona Canada Principles Addressing Electronic Discovery can be found at [www.thesedonaconference.org](http://www.thesedonaconference.org).

3

**True.** Pursuant to Rule 29.1.05, the court may refuse to grant relief or award costs if the parties have failed to agree to or update a Discovery Plan.

4

**True.** As soon as litigation is reasonably anticipated, parties must consider their obligation to take reasonable and good faith steps to preserve potentially relevant electronically stored information.
