Application

This is an application for judicial review in respect of:

Review of Canada Recovery Caregiving Benefit (CRCB) application completed on Oct 24, 2022

The review concluded that I am not eligible for CRCB benefits because I did not meet the criteria:

- You did not earn at least \$5,000 (before taxes) of employment or net self-employment income in 2019, 2020, 2021, or in the 12 months before the date of your first application.

The applicant makes application for: CRA to perform another review of my eligibility for the Canada Recovery Caregiving Benefit application

The grounds for the application are: I have completed a re-file of my 2019 tax return. My income from self-employment was revised from \$4989.20 to \$5016.31, which meets the income criteria for CRCB.

This application will be supported by the following material: Updated 2019 tax return and new Notice of Assessment for my 2019 tax return.
