- You did not have a 50% reduction in your average weekly income compared to the previous year due to Covid-19.

The grounds for the application are:

The full eligibility criteria states that: she was not employed or self-employed for reason related to Covid or she had a 50% reduction in her average weekly income. It is either or. Only one condition must be fulfilled and not both.
- Mariana was blocked in January 2021 from applying for the rest of the Canada Recovery Benefits from period 9 to period 20. She received Canada recovery benefits after second judicial review on April 18, 2023 for periods 21 to period 28 only.
