Application

(For a Judicial Review)

This is an application for judicial review in respect of:

Canada Revenue Agency

Canada Recovery Benefits eligibility. File C0051514632-001-45, date august 12, 2022, applicant received on august 18, 2022

Re: Second review for Canada Recovery Benefits application you did not earn at least \$5000.00 (before taxes) of employment or net self-employment income in 2019, 2020 or in the 12 months before the date of your first application.

The applicant makes application for:

Reinstatement of Canada Recovery Benefits eligibility retroactively.

The grounds for the application are:

1. As an honest Canadian citizen, I work, earn income and complete the tax return every year, paying the necessary tax obligatory. Denying me the Canada Recovery Benefit is procedurally unfair and irrational by imposing a \$5000.00 net threshold to qualify for the benefit.
2. Feb 9, 2021 finance Minister Morneau's press release outlines benefits will be based on gross revenue and not net \$5000.00.
3. I have a total income of \$5260.75 for 2019 tax year.

The application will be supported by the following material:

Sworn Affidavit statement of facts

letters from Canada Revenue Agency dated august 12, 2022

The applicant requests Canada Revenue Agency to send a certified copy of the following material that is not in the possession of the applicant but is in the possession of the Canada Revenue Agency to the applicant and the Registry:

A screen shot clearly displaying my CRA account's CRB and CERB prequalifying checklist page and prequalifying questionnaires.
