Mr. Teodor Novakovic, hereinafter referred as the applicant, makes application to request from the Federal Court to:

- Order the tribunal to do reinstate the CERB and CRB eligibility for the applicant for years 2020 and 2021 respectively.

The grounds for the application are:

- The tribunal failed to observe a principle of natural justice, procedural fairness or other procedure that it was required by law to observe;
- The tribunal erred in law in making a decision or an order, whether or not the error appears on the face of the record; and
- The tribunal based its decision or order on an erroneous finding of fact that it made in a perverse or capricious manner or without regard for the material before it.

This application will be supported by the following material:

- Proof of income in the amount higher than the CERB/CRB threshold amount of 5 000\$ in 2019;
- Proof of lack of contractual employment opportunities in 2020 and 2021;
- Proof that the tribunal failed to consider all evidence provided by the applicant regarding his 2019 income yet is basing its decision on that criteria; and
- Proof that the tribunal failed to provide the opportunity to the applicant to explain/prove the absence or reduction of income in 2020 and 2021 as compared to 2019 yet is basing its decision on that criteria.

The applicant requests the tribunal to send a certified copy of the following material that is not in the possession of the applicant but is in the possession of the tribunal, to the applicant and to the Registry:

1. All documentation in possession by the tribunal regarding the applicant's income from 2019-2023;
2. All internal review documents (including e mails) pertaining to the applicant's income tax file for years 2019 onwards;

3. All phone call records between the applicant (or his authorised representative Ms. Tanja Kalajdzic) and the CRA pertaining the status of the CRA's review of the CERB/CRB eligibility (2019-2023).
